

H: to P: -- My 16 Years of data in SOE IT position created extra clean-up for me. Yours will be different. Most importantly, the folder and file modification date is very helpful when deciding to save or delete. All my files are now on the P; drive under SOEHOME. You can choose to do what you like if you decide to clean-up the P: drive

gia02001 (\\files.uconn.edu\home) (P:)

THIS SIDE IS AFTER H: to P: MIGRATION & BEFORE CLEAN-UP

Required Folder for VM Profile

Old Folder. I deleted after looking at folder

EXCEPT FOR THE "My Documents." All were old folders and files. I deleted after looking at folder

Was in here. See what I did in next pic.
